John:

Here is a copy of our most recent mark-up of Title IV. As I told you on the phone, we have no idea at this point how much of this has any validity since the SSCI Staff is holding further drafts of Title IV "hostage" until such time as the Administration has completed its work on Title II. Also enclosed, for your information, is a copy of a views letter I sent to the SSCI Staff following our last meeting with them to discuss Title IV.
